JUNIOR GRANGE OBSERVES 28th BIRTHDAY

The Mattapoisett Juvenile Grange met Friday night with the worthy master, Barry Denham, presiding at an open meeting. After the assistants had opened the Bible, the chaplain's prayer and the Flag presentation, Master Denham welcomed the members and past masters to the 28th anniversary of the Junior Grange.

Past Masters attending were Leonard Randall, Terry Cray, Richard Rawcliffe and Nancy Corcoran. A note of regret was read from Ralph Wordell who was the 2nd Junior Master of the Grange. Other masters present were George Randall from the Subordinate Grange and Clayton Westgate, master of Sippican Pomona.

Worthy lecturer, Marilyn Lewis, presented Mr. Manuel Xavier, M. C. for the Bristol County Dog Training Club, who in turn presented Miss Ruth Gonzales with her miniature poodle, Belle; Mrs. Eva Xavier with Tico, her chihuahua; Mrs. Stetson with Dewey, a miniature poodle; Mrs. Elaine McNaulty with Key, a cocker spaniel; Mrs. Agnes Nuttal with Jolly, a cocker spaniel; Mr. A. Gagnon with Loly Pop, a fox terrier; and Mr. Fred Wood with Rajah, a bull mastive.

A most entertaining program was put on by these people with their dogs and a delight to the adults as well as the children.

A question and answer period followed that was most interesting.

sed at this meeting. Dr. Irving A. Fradkin, optometrist from Fall River, founded this plan in 1938. This is a low cost formula to establish scholarships by donation of the individual citizens of the town of $1. per year. Clubs and organizations may make larger contributions. Those clubs which can give $100 or more will be able to form scholarships under their own names. Scholarships will be awarded by a panel of citizens of the towns. They will be based on scholastic achievement, unusual family circumstances and leadership potential and initiative. At the time the student receives the award he will be asked to assume the moral responsibility to repay the grant, if and when possible. In this way the money granted will return to continue forever help to deserving students. This plan has worked with success in single towns and two-town regional schools, but it is believed that it is the first attempt for a three-town school.

Last Thursday, fifteen persons representing Mattapoisett, Marion and Rochester met to start action and to elect officers of a temporary nature in order to plan public meetings. Horace D. Darrah of Mattapoisett and Norman J. Cartmill of Marion were chosen temporary co-chairmen. They conducted the forum which discussed the Fall River plan. A publicity

It is hoped that a large turn-out of people from all of the towns will be present at this Thursday, February 14th, meeting to hear about the plan and to discuss its possibilities.

ROCHESTER BOWLING LEAGUE, FEBRUARY 5

Dennis Mahoney & Sons continued to pull away from the rest of the teams in the Rochester Bowling League. Lionel Holmes pinned a 345 triple for the winners in a 2 to 1 win over the Woodchoppers. George Smith got a 347 for the axemen. Joe Pare (365) and Hartley's Garage held a Surprise Party at Knotty Pine Cafe and walked off with everything. Tony Lopes fired a 364 in a losing cause. Jay Hiller and Bubba Hartley put 343's back to back to turn back Lloyds Market 2 to 1. Al Souza's 343 was tops for Lloyds. Herbs TV, led by Gus Johnson's 339, took 2 points from Hartley Saw Mill. Ralph Gurney knocked over 350 pins for the Mill.

The lovely pieces of finished jewelry were much admired by the members and they were interested to learn that she plans to open a retail store in Acushnet soon.

Mrs. Marion Church presided at the business meeting. Mrs. Greenwood Hartley made a motion to have the executive board discuss the matter of an increase in rental fees of the club rooms, taking into consideration the time of year, and report their recommendations at the next meeting.

It was reported that a thank you note had been sent to Mrs. Elmore Locke for the lovely afghan she had donated to the club.

A report was received from Mrs. Henry B. Smith, music chairman, that she had received a list of music scholarships from the Division of Music of the Mass. State Federation of Women's Clubs. lice in turn notified the dog officer, Ralph Moore, who arrived at the scene shortly. Without consulting us, and without making any attempt to call or take the dog to a veterinarian, this officer simply shot our dog.

WE PROTEST THIS TYPE OF ACTION !

We feel the dog deserved the benefit of professional observation and aid. We feel that we were entitled to some consideration as owners of the dog, and as taxpayers.

We also feel that Mr. Moore acted outside the limits of his capacity as dog officer. We are of the opinion that Mr. Moore acted incompetently and with gross disregard for this taxpayer.

We will admit that, for some, drawing a gun and shooting a bullet through the body of an injured dog may seem to be the easy way, but to us this action is not even easy to understand.

Knowing that the dog taxes eventually fall under the direction of your office, we feel this matter should be brought to your attention in the hopes that you will exert the proper influence from your office to prevent such an unjustified act from occurring to some other dog owner.

Thank you for your attention.

Dr. and Mrs. Donald L. Nahigyan
